

COMMONWEALTH OF PENNSYLVANIA
PETITION

To: All Members of the Pennsylvania Senate & House of Representatives

We the undersigned residents of this Commonwealth of Pennsylvania collectively petition all members of the Pennsylvania Senate and House of Representatives to provide co-sponsorship support for, and to pass, **The Constable Standards and Modernization Act** that is being introduced by Senator Scott Wagner.

We recognize that as law enforcement officers, Pennsylvania State Constable's provide an invaluable service to the Commonwealth at little to no cost to the taxpayer. We believe that the Constable Standards and Modernization Act addresses various issues concerning the Pennsylvania Constabulary today by seeking to bring the Constabulary into the future by increasing and refining Constable's Training, affirming and defining the role and authority of a Constable, providing for a Constitutional system of accountability of Constables, and by providing the necessary tools for Constables to perform their jobs safely and effectively. We also believe that this Act will update the way the Courts do business and as such, will stimulate more revenue into the Commonwealth through what will lead to a higher service of warrants and the collection of fines than what is possible today in a system where warrants are not often not issued, or sit stale and unserved. We believe that the Constable Standards and Modernization Act is the best option to modernize the Pennsylvania Constabulary and address current problems within the system, while maintaining and bringing honor and respect back to the long lived and important office of the Constable.

Please join us by joining **Senator Scott Wagner** as a Co-sponsor to the **Constable Standards and Modernization Act**, and working diligently to ensure its passage in the near future.
